### Terms and Payment Options

Our mission is to deliver the finest, most cost effective health care treatment available today. Following diagnosis, the doctor will advise you of our plan for treatment. Additionally, we will discuss with you the cost of today's and future treatments.

Payment for today's visit and your future visits are due at the time of treatment. We are sensitive to the fact that some people may and may not be able to pay with cash at the time of treatment; therefore, we offer an extended monthly pay plan for your convenience called Care Credit.

Care Credit Monthly Payment Plan: This is a separate line of credit, which does not affect the balance of your other credit cards. Unlike some other credit cards, there are no annual fees. Care Credit has a deferred interest option. This monthly payment plan does not require payment now, or the use of your bankcard. Processing your application will only take a few minutes.

Please indicate below the form of payment you wish to choose to settle your account:

\_\_\_\_\_ Cash, Check or ATM Debit Card

\_\_\_\_\_ Visa, MasterCard or Discover

\_\_\_\_\_ Care Credit – If you choose this option, please request a Care Credit application.

A Finance Charge on any outstanding balance will be assessed at a minimum of \$5.00 or 2% per month after 30 days. If necessary, a \$25.00 collection fee will be applied, plus any charges associated with collection of the outstanding balance. There is a \$50.00 returned check fee for any check that is returned to us.
